Give 'Em Fits.

That's what "THE SCARLET SHADOW," Walter Hurt's great radical novel, does to the forces of bigotry and superstition. And the secular press of the country goaded by the church element, is throwing a over it, too. No other novel of this decade has been so widely and so bitterly denounced by orthodox critics—which is sufficient proof that it is all right. It has created a sensation in conservative circles and caused consternation among the clergy.

It is enthusiastically endorsed by leading Freethinkers throughout the world. You all know how Hurt can write, and in this book he is at his best. It is an elegant volume fit to ornament the finest library; containing 422 pages, printed on heavy egg-shell paper and bound in ox-blood cloth.
